Yeasu FT-990 SOLD

Selling this radio on behalf of our club. Was tested by one of our members to be in good working condition.

You can use the Canada Post website with V0N2W1 to estimate the shipping charges.

Includes what's in the picture:

- Radio (25 lbs)
- Manual
- 2 Mics (one is a Yeasu MD-100)

More info:

- The particular model does not have the internal 120 VAC → 13.8 VDC power supply.
- It runs perfectly on 13.8 VDC with an external power supply or battery, but the 6 pin Molex DC cable is also not included.
- Average rating of 4.8/5 on eham.net
- Technical details from Universal Radio

Higher Res Pictures
